

REMARKS

Applicants have amended the first line of the specification following the title to indicate that priority is claimed from U.S. Provisional Patent Application Serial No. 60/154,120 filed September 15, 1999. A copy of the Utility Patent Application Transmittal sheet, which refers to the prior application and which specifically incorporates it by reference, is attached.

Applicants believe that there are no fees due in connection with the submission of this Preliminary Amendment. However, if any fees are due, the Commissioner is hereby authorized to charge our Account No. 19-1970 for any fee deficiencies associated with filing this paper.

Attached hereto is a marked up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version With Markings to Show Changes Made."

Respectfully submitted,

SHERIDAN ROSS P.C.
